Crystal Radio Company ("Crystal"), by its attorneys, hereby files an Errata to its Comments filed with the Commission on September 8, 1998, in connection with the above-referenced Notice of Proposed Rulemaking to allot Channel 244A to Crystal Falls, Michigan. In its comments, Crystal proposed the mutually exclusive allotment of Channel 244A to Republic, Michigan as a first full-time aural reception service for the Republic community. The comments should have stated that Crystal proposed the allotment of Channel 244C3 to Republic, Michigan. In addition, Attachment E-A to the Engineering Statement that was filed with Crystal's Comments, which was a channel separation study for the proposed Republic allotment, should be corrected to note that the study was conducted for the allotment of Channel 244C3 to Republic, Michigan and not Powers, Michigan. A corrected Attachment E-A is attached hereto.

Please associate these changes with Crystal's originally filed Comments in the above-referenced proceeding.

Respectfully submitted,
